

# upcoming sessions

Parents, Carers, and Community Members in the Inner West are invited to attend a free mental health education session in Term 3.

headspace National is hosting mental health education sessions on ways to support a young person when you are concerned about their mental health.

## The sessions aim to:

- \* Strengthen your understanding of mental health and the warning signs for suicide and self-harm.
  - \* Strengthen your understanding and skills in how to cope and where to find help.
  - \* Build awareness of local services and the various support services available.
  - \* Strengthen relationships between local area mental health services, local schools, headspace centres and other community organisations.
